

# Seventh-day Adventist® Church

ALBERTA CONFERENCE

## WORLD PATHFINDER DAY 2024

**World Pathfinder Day (WPD)** is an opportunity for celebration, spiritual connection, outreach, and social activities. The GC has given us a lot of resources for the day's celebration. Below is the link to all the resources you have at your disposal should you choose to use them. There are also promotional videos that you can ask to be inserted in your announcements. We are encouraging every club to participate. Leader, Directors, Councillors and Youth.

### Some suggestion you might consider are:

- **Church Services** – If possible, ask for your churches to give the clubs the day
- **Outreach Initiatives** – Engage in community service projects
- **Social Gatherings** – Support for The Pathfinder Club
- **Consider having your induction service on this day**
- **Be in your type A uniform for the day**
- **Capture and Share Moments** – Document the day's highlights by taking club pictures

What ever you choose to do on this day, pray that God directs you as we go into this new Pathfinder year together, let's carry the lessons of faith, friendship, and adventure with us. Jesus camping with us is not just a metaphor; it's a reality that we can experience every day. As Pathfinders, let's cherish the joy of camping with Jesus, knowing that He is our guide, friend, and constant companion in the journey of faith. May our tents be firmly anchored in His Word, and may our hearts be open to the warmth of His love.
